

Hi Definition

Hi Definition are an experienced, versatile three-piece band. All members are able to take the lead vocal or add harmonies to the best songs from the 50s, 60s and 70s and a few well-chosen songs and modern classics up to the present day.

With guitar, bass and drums, we provide a full sound and full dance floor at a volume to suit your venue. Between us we have years of experience playing functions and clubs with a choice of dress from formal to relaxed.
